

The YMCA of Greater Dayton has been serving the community for 150 years. It is a place of encouragement, possibility and hope for all. In these strange times, it is imperative that we come together to help those who are struggling, alone and in need. It is our human connection that unites us. That is why the Y passionately focuses on strengthening our community.

Every day, your Y is supporting kids, adults, seniors, and families with programs and services that protect, teach, connect, heal, nourish, and encourage. Everything that we do together empowers our community to thrive.

We can't do it alone.
TOGETHER, WE CAN BE THE CHANGE!

The Y.™ For a better us.

All contributions are administered by the YMCA of Greater Dayton, a 501(c)(3) not-for-profit organization. All contributions are tax-deductible to the extent allowed by law and are acknowledged in writing.

 2023 Goal: \$100,000

YOUTH DEVELOPMENT

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y's core values of caring, honesty, respect, and responsibility.

HEALTHY LIVING

We help people and families build and maintain healthy habits for spirit, mind, and body in their everyday lives. By helping kids, adults, families, and seniors from all walks of life improve their health and well-being, we build a stronger community.

SOCIAL RESPONSIBILITY

With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters, and staff demonstrate the power of what we can achieve by giving back together.

A TESTIMONIAL FROM A 2022 SCHOLARSHIP RECIPIENT:

"YMCA Camp Kern was the bridge my daughter needed to continue healing from the death of her adopted mother, the transition to a new family, and cancer recovery of her new mom. Camp Kern brought opportunities for my daughter that she might not have had. Thank you, Camp Kern, and all the donors that made it possible for her to enjoy life again."
