Honoring Carl B. Kern

- The Kern family was one of the four founding families of Germantown, Ohio – originally natives of Berks County, Pennsylvania – who permanently settled in the area in 1804.
- Carl B. Kern graduated from Germantown High School in 1898. He served as a tool maker apprentice in Dayton before traveling to Cleveland to become the Assistant Secretary for the West Side Y.M.C.A under M.D. Crackel. He then attended the Y.M.C.A. College in Springfield, MA, graduating in 1907.
- Carl B. Kern was recruited by the Poughkeepsie, N.Y. Y.M.C.A. to lead its Boys' Dept. His impact on youth became clear. After he announced in 1909 that he would be accepting the job of Boys' Work Secretary for the Dayton Y.M.C.A. starting in September, a send-off reception included touching testimonials and a "loving cup" as a memento of affection.
- An extensive biographical history of Carl B. Kern - including links to newspaper articles and the YMCA archives - has been compiled on the Fund's website (www.kernfund.org), from his birth in 1880 to his tragic accidental death in June, 1917.

The Impact of Camp Ozone

In a September 20, 1915 report of the Boys' Work Secretary to the Dayton Y.M.C.A. Board of Trustees, C.B. Kern wrote, "The spirit demonstrated throughout the camp will mean much for the entire work and without doubt will prove lasting... This speaks much for the splendid location and the permanent equipment already developed. **More of permanent value can be accomplished with a week in camp with a boy than months of casual contact.**"

Report of the Boys' Work Secretary
to
the Board of Trustees, Sept. 20, 1915

The work of the summer has been interesting as usual and gratifying in more ways than one. The summer being a rainy one made the building more than ever necessary.

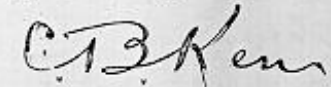

698 Members September 1. 822 books were issued during July and August. 1010 boys attended the various bible classes during the two months. Baths and Gym attendance averaged over 1500 each month. Membership earnings to September 1, \$571.70 - \$130.00 ahead of last year. 144 boys attended camp.

The spirit demonstrated throughout the camp will mean much for the entire work and will without doubt prove lasting. This speaks much for the splendid location and the permanent equipment already developed. More of permanent value can be accomplished with a week in camp with a boy than months of casual contact.

We were successful in securing Mr. S. C. Britton as Boys' Physical Director who began his work September 1.

Our Department Annual has been prepared and will be out next week. The work is opening up splendidly and from all indications this year ought to break all records.

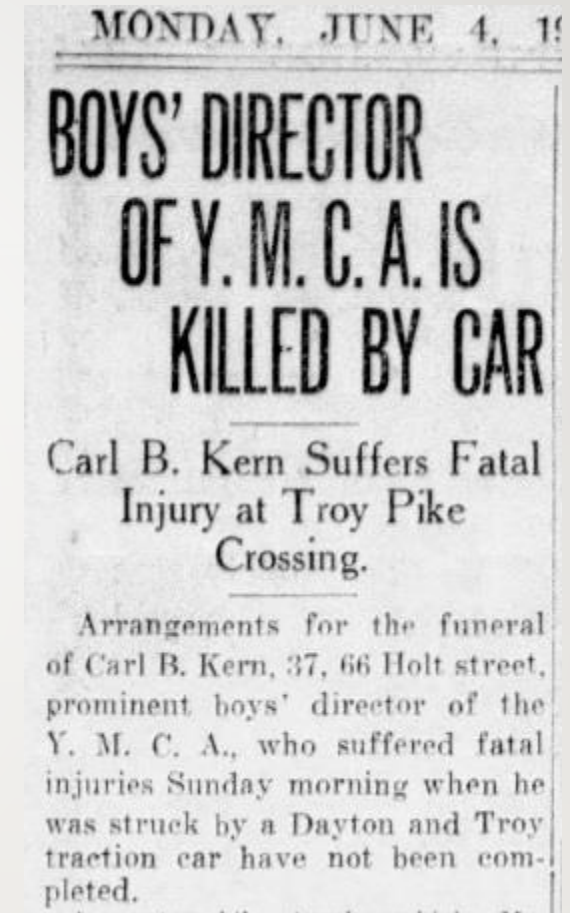

Respectfully submitted,

Boys' Work Secretary.

The Accident – June 3, 1917

“An automobile truck, which Mr. Kern was driving, was struck by the 11 o'clock north bound [Dayton and Troy traction] car on the Troy pike just north of the city. Mr. Kern was thrown beneath the wheels of the car and suffered injuries which caused his death in Miami Valley hospital at 3:30 Sunday afternoon.” - *The Dayton Herald*, 4 Jun 1917, page 3.

The Tributes

June 4th - Editorial - "A Friend of the Boys" - "Carl B. Kern sought no greater honor than to be accounted worthy the friendship of the hundreds of young fellows who were under his personal care and attention in the boys' department of the Y.M.C.A.... Camp Ozone, at Ft. Ancient, where hundreds of these full-of-life young chaps were accustomed to spend their vacation days, will stand as a permanent memorial to the aggressive activities of Mr. Kern.... And so today the boys of the Y.M.C.A. are grieving because one of their number has gone away. It will be a rather difficult task to fill the vacancy that Carl Kern's death has created. His loss is a personal one in hundreds of Dayton homes." - *Dayton Daily News*, 4 Jun 1917, page 6.

Tribute Booklet Printed in 1918

“It is quite impossible in a small space – or even a large one – to do justice to a great character.... The life of Carl B. Kern will never be adequately written, yet it is very real. It was ‘caught’ by the boys whom he touched and goes on reinflecting those whom they touch. The power of his example, the results of his efforts are as the bit of yeast that is saved after each baking to leaven all the succeeding loaves.

However, it was thought fitting to publish a few dates and facts and especially some pictures so that his friends would have some material keep-sake of him.”

BOOKLET HONORS LATE C. B. KERN

In honor of the late C. B. Kern, boys' work director of the Y. M. C. A., who lost his life in an automobile accident last June, boys of the department have issued a little booklet. It will be distributed among all the boys in the department.

The booklet contains a photograph of “C. B.,” who was “a friend of every kid in town,” together with pictures of Camp Kern at Fort Ancient, which the secretary founded. Mrs. C. B. Kern helped to prepare the booklet.

And Then There Was The Pandemic...

The continuity of financial support from the Fund was particularly appreciated during the pandemic.

From YMCA Camp Kern Executive Director Chris Addison on 4/17/2020:

“Thank you so much for the foresight and the gift. These special circumstances have created a different kind of need at camp, and this donation will help us fill those needs. You have all done an absolutely tremendous job with the Fund and should be so proud of the benefits it has brought to camp and our campers over the years. We are obviously facing some challenging times ahead, but gifts like these will make a big difference.”

Appreciation! – And Looking Towards the Future

- The Advisory Board is so grateful for the hundreds of individuals who have donated to the Fund to date. This has included former Camp Kern Executive Directors and year-round professional staff, Dayton YMCA leaders, Camp Kern Board Chairs and Board Members, former campers and seasonal (summer/Outdoor Ed) staff, and other friends of Camp Kern.
- The Advisory Board is always looking for passionate individuals with “Kern Blood” to help lead and promote The Carl B. Kern Fund for many years to come.
- Financially, it would be great to see a Fund balance of **\$1 million** in the near future(!)
